Product: FIFA World Cup -Jules Rimet Cup
Material: Zinc alloy
Technics: Die Casting

FIFA World Cup - Jules Rimet Cup

Jules Rimet Cup—the FIFA World Cup trophy, is a symbol of the highest honor in football. The trophy, known as the FIFA World Cup looks like two human hold up the Earth. The lines spring out from the base, rising in spirals, stretching out to concatenate the earth on the top. From the remarkable dynamic tensions of the compact body of the sculpture rise the figures of two athletes at the stirring moment of victory.

Product: The 2010 Shanghai world expo business card holder

Material: Zinc alloy

Technics: Die Casting
